Subject: RDX Draft Tox Profile from ATSDR

Dear Colleagues,

CDC/ATSDR is making available to you its draft Toxicological Profile* on RDX, an explosive used by the military. The agency plans to release the draft profile for public comment shortly. It will be posted to the CDC/ATSDR website at <http://www.atsdr.cdc.gov/toxprofiles/index.asp#bookmarkset22>. If your agency wishes to provide comments on this document, please submit them during the 90-day public comment period to the address specified on the website. CDC/ATSDR will consider agency and public comments at the end of the comment period.

If you have any questions about this draft document, please contact Fred Angulo, Associate Director of Science at CDC/ATSDR. His email address is fja0@CDC.GOV.
